

TPCS Family Picnic and Parent Orientation

15 February 2023

Dear Parents/Caregivers

The annual Family Picnic and Parent Orientation will be held on Thursday, 23 February 2023, from 5.30-7.00 pm. We invite all families of existing and future students of TPCS. This is a school community event in a semi-formal setting around a picnic dinner. We strongly encourage all parents and students to attend the annual event to strengthen the school and parent relationship.

Programme:

- 5.30 pm - Families arrive with picnic dinner and meet on the basketball courts or school hall if wet.
- 6.10 pm - Principal's welcome, devotions, strategic plan and goals.
- 6.25 pm - First rotation of classroom visits. Visit the youngest child's classroom
- 6.45 pm - Second rotation of classroom visits. Visit the eldest child's classroom. If God has blessed you with more than two children, you may use the 'divide and conquer' strategy to visit more than two classes.
- 7.00 pm - Home time.

Purpose of the evening:

- To strengthen the school community relationships by meeting around food, visiting classrooms, introducing parents to the staff and meeting the other families of the school.
- To introduce and remind parents of the school's philosophy of Christian Education, teaching and learning programmes, and explain the lines of communication.

This is an extra special event because we can meet for a family picnic without restrictions after three years. Please make it possible to attend the event. Bring a picnic blanket (or chairs) and food to cater to your family. We will send you a printed form with your children early next week; then, please complete and return the form to your oldest child's classroom teacher by Friday, 17 February.

Blessings

Prasad Patchigalla
Principal

Please RSVP by Monday, 20 February.
